

CHECKLIST: Amendment to existing SIF Certified products

Product Name: _____

If a certified product is to be renamed, with no other change to the scope defined in the Conformance Statement, the certification may be amended upon request to the A4L Community.

Description	Due Date	By Whom	Completed Date
Submit email with notification of your request to rename an existing certified product (including original CSQ) to testresults@A4L.org			

Please note: *The SIF Certification Program is only available to Premium members of the Access 4 Learning (A4L) Community, formerly the SIF Association. Continued SIF Certification of your product is dependent on membership of the A4L Community.*
