VIP Special Thanks!

NSIP works with education agencies around Australia, and with solution providers, to develop common solutions to business and IT problems facing schools based on agreed interoperability standards for improved solutions as well as savings in time and cost.

Meeting Norms

- ✓ Be Positive!
- ✓ Be Productive!
- ✓ Be Engaged!
- ✓ Be an Advocate for Your Peers, the Work and the Community!

It is YOUR Community – What You Put In You Get Out!

- Non-Profit started in 1997
- Membership driven with schools, districts, regional and state agencies, other professional organizations and marketplace providers in the Community
- Collaboratively develops technical blueprints for data to move safely and securely between school software applications
- Used in every state and Communities in 4 Countries

- Special Interest Group of A4L Community started in 2015
- Maintains its own governance, oversight and resource support
- Numerous stakeholders addressing “Pain Points”
- Working on three projects identified and worked on by members:
 - Privacy Contract Framework
 - Digital Tools Governance
 - Global Education Privacy Standard
