Reminder of What We Created in Opening

- Clear shared commitment to working together in a deep partnership
- There is a unique opportunity for us to change the way it has been and build something new
- This is about more than PESC and A4L but a solid first step is for PESC and A4L to explore a deep partnership
- It seemed unanimous in the room that we are moving in the right direction
- It is clear that it will take all of us communicating and taking on moving this conversation forward
