SPONSORSHIP

The PESC-A4L Summit is an innovative event dedicated to advancing lifelong learning through the exploration of open data standards and privacy. This unique conference brings together experts, thought leaders, and enthusiasts to delve into the intersection of technology, data, and privacy in the education sector.

Historically, the Summit includes registrants from K12 schools, State Education Agencies (SEAs), higher ed institutions, and pK20W+ technology marketplace providers. Attendees consist of a majority of C-Level, VP, and Director level leadership and influential professionals. We expect between 120-140 attendees.
