Introduction

Following our recent communications, we are delighted to confirm that our new Member Portal and A4L Community Site is now live!

As a member of the A4L Community, you have access to many self-service and exclusive benefits. To ensure only Members receive these benefits, these areas still require a valid login.

Gaining Access

Once your membership has been processed, and you have a Username and Password, you can use it to access any Member-only area, including the 'new' Member Portal', the A4L Community Site and the SDPC Resource Registry. Premium members will also gain access to the SIF Certification Program for testing, SDPC API and discounts on event registrations.

If you have forgot your password, no worries! Click 'Forgot your password' or 'forgot username' and enter the email address associated with your profile. You will then be emailed a link to reset your password.

(HINT: You might want to try your email address as your username.)

NOTE: To receive the link via email, the email address you enter must be the email address in your membership profile.

Data Privacy

GROUP CHARTER: To safeguard privacy in education by addressing pertinent issues and incidents, ensuring coordination and collaboration on international platforms, and advocating for robust representation of privacy stakeholders. We strive to foster dialogue on privacy concerns affecting education, coordinate global efforts on the Privacy Obligation Document (POD), facilitate synergy between the Student Data Privacy Consortium (SDPC) and contributors to the SIF Standards. We also ensure comprehensive representation at the International Technical & Privacy Leadership Group (ITP-LG). Through these endeavors, we aim to uphold the highest standards of privacy protection, thereby promoting trust, integrity, and innovation in educational data management worldwide.

PLEASE NOTE: By joining this group, you are opting-in to receive all group related notifications & communications via a Listserv. To opt-out, please complete [this form](#) to request removal.

Project Team Feed

Group Feed

This is where you will find a full transcript of any communications made via the group Listserv.

The Listserv tool allows you to distribute messages to all of the group members with a single email, using the group email address.

PLEASE NOTE: By joining a group, you are opting-in to receive all group related notifications & communications via a Listserv. To opt-out, please complete the form link (provided at the top of the group page) to request removal.

E-List / Listservs

Your membership includes access to our exclusive e-list (aka ListSrvs)

The Listserv tool allows you to distribute messages to all of the group members with a single email, using the group email address.

To start participating:

Once you have joined the group and received a 'Welcome email' from the Listserv, (from your personal email Inbox) just send an email using the group email address.

The complete Listserv transcript is displayed on the group page group email address, so any new Members can get caught up on the conversations quickly!

Getting involved in Group activities

Once you have chosen a group to participate in (and you have been provided access), you can access the 'Group Folder'.

In the group folders you can find meeting notes/agendas and action items, and access any documents that the group is currently working on.

As a group of volunteers, the A4L Community relies on the active participation of its members.

We encourage you to get involved and participate in as many groups as possible!
