[1] **ALLIANCE MEMBERSHIP:** *Alliance 'Lead' Agency only has full A4L Community membership access, while identified districts/divisions have access to the SDPC Resource Registry and tools only. Alliance Lead organization has voting membership classification.*

[2] **STATEWIDE / TERRITORY MEMBERSHIP:** *State Agency and ALL districts/divisions have full 'core' A4L Community membership, with access to the A4L Community Site and SDPC Resource Registry. Voting membership classification for all parties.*

[3] **VENDOR MEMBERSHIP:** *Based on the whole organization's gross annual revenue including funding and/or grants. Voting membership classification.*

[4] **NON-PROFIT MEMBERSHIP:** *Dues are based on annual funding support (including grants, donations etc.). This membership allows participation in the majority of Project Team and Community activities but does not include managing any Agreements on the SDPC Resource Registry, or use of some copyrighted materials (specifically the National Data Privacy Agreement (NDPA) and National Research Data Privacy Agreement (NRDPA)). Non-voting membership classification.*
